

Custom designed for a Manufacturing Client's Corporate Office

# HR's Role in Safety

MHRC

Turning opportunities into Cornerstones

# LEARNING PATH

- Going beyond the basics
- Put your money where your mouth is
- Money isn't everything
- Keep it interesting
- Be James Brown...be Mick Jagger

**Program Overview:** While safety is everyone's responsibility, HR has an opportunity to take a key role. In this session we focus on ways that HR can lead safety programs, build bridges, and support employees. We will also talk about FREE elements of world class safety programs that you can make your own.

# HIDDEN IMPACT

## How does safety impact HR?

\$ [REDACTED] is the average cost of a work related back injury

[REDACTED] out of [REDACTED] employees be injured at work this year

An injured employee will miss an average of [REDACTED] days from work

### Key Takeaway:

*What is one way this impacts metrics of your current role?*

---

---

---

*We'll come back to this later as we unpack strategies for you to take an active role in driving a safe culture.*
